Please provide total estimates of your hours and costs (which can be based on an annual average for multiple years). The Texas Forest Service began working in DMR in 1998, so you can submit all your firewise efforts from 1998 to date (whether or not you contracted/paid for the work or did the work yourself).

- 1998-1999  2000  2001  2002  2003  2004  2005  2006  2007  2009  2010  2011  2012  2013

Total Hours: \_\_\_\_\_

Total Spent: \$ \_\_\_\_\_

**The DMPOA Firewise Committee thanks you for your contribution to reduce the risk of losses from wildfire!**
