

DMPOA Road Report 10-8-16

We had to replace 2 tires 1 on the road grader and 1 on the John Deere.

Worked Limpia canyon, crazy horse, 3 days on low meadow.
Squaw valley, high lonesome, Bourassa, Thompson trl.

Arrowhead Pass was worked and tried out the roller on Tomahawk, seemed to do ok but need to fill up drum with water for more weight.

Worked Yellow Knife

About 5 days of screening material for road use.

We now have a new part time help, Ray Queen, he has been a very good addition.

Thanks to Ron Davis for help on Bandolero Trl. Creek crossing.

As always volunteers are invaluable, my personal thanks to Willis, Shannon, & Eleanor !!!!!
