Vehicle maintenance and repair:

Replaced solenoid on backhoe.

Replaced strainer on maintainer

Replaced gaskets on maintainer

Replaced 2 hydraulic hoses on maintainer - Thank you, Julian and Darell

Replaced grease zerks on maintainer.

Tightened and greased tracks on dozer.

Removed and rebuilt brake slave cylinders, honed housings, cleaned and inspected new O-ring - Thank you Julian and Darell.

Changed maintainer tire

Repaired service truck tire - Thank you Julian.

Equipment pressure washed.

Material:

Reclaimed material from ditches.

5 loads of material hauled to Arrowhead Pass

3 loads of material hauled to Stagecoach

5 loads of clay hauled from the clay pit

Additional Information:

Drafted 5 loads of water from the duck pond for roads - Thank you, Eleanor.

Tree limbs cut away from road on Stagecoach & Colleen Canyon

Brush Pile pushed up.

Service Truck cleaned - Thank you, Julian and Jan.

Shop cleaned.

PLEASE DO NOT PLACE BUILDING MATERIAL OF ANY KIND IN THE BRUSH PILE. IT CANNOT BE BURNED! OUR VOLUNTEERS OR EMPLOYEES HAVE TO USE THEIR TIME TO REMOVE THIS MATERIAL.

PLEASE DO NOT THROW YOUR USED TIRES ON THE ROAD. THE RECEIVING STATION IN FORT DAVIS WILL TAKE THEM FOR A SMALL FEE.

Thank you to all people who have stopped and thrown rocks off the roadway. Every little bit helps.

Respectfully Submitted,

Jackie Edwards
Interim Road Chairman
